Dear Friends:

We are excitedly planning for our **10TH ANNIVERSARY Hope Begins Here Awards Reception** on **May 7, 2020** at Danversport and ask for your generous participation in this inspirational event.

Boston North Cancer Association (BNCA) is pleased to announce that **Lorraine A. Sacco** of Lynnfield will be honored as the recipient of the **2020 Hope Begins Here Award**. The prestigious *Hope Begins Here* Award is presented annually to an outstanding leader and advocate for cancer prevention, treatment and care north of Boston which Lorraine clearly exemplifies as Co-Founder and Executive Director of the **Reid R. Sacco Adolescent & Young Adult Cancer Alliance** and the **Annual Reid's Ride** now in its 16th year.

In addition, **three \$3,500 scholarships** will be awarded to North Shore high school students who have personally battled cancer or who were affected by cancer through the sickness or loss of a parent. A **\$7,500 scholarship** will be awarded to a medical school student from the North Shore with a promising future in cancer research/treatment.

We ask for your participation with a **Raffle or Silent Auction donation** (gift card, goods, services), please complete the form and return it with your donation **by April 17th**. Donors will be acknowledged in the Event Program Book.
